Dear Sir

Enclosed please find a 100.00 Bond that has had interest Paid up to 1 Jan 1864

I dont know what department to send this Bond to to have it redeemed

This was my Fathers Bond he said it was good for its face value and interest wherever it was presented but I never knew who to present it to

We know Confederate Bills are no good But as the interest of this was paid by the people in South Carolina we look upon this as a guarantee from that State

Respectfully Yours Chas Moody

Mr. Fox From C. Moody

Dear Sir

Enclosed please find a 100.00 Bond that has had interest paid up to 1 January 1864.

I don't know what department to send this Bond to to have it redeemed.

This was my Father's Bond he said it was good for its face value and interest wherever it was issued, but I never know who to present it to.

We know Confederate Bills are no good, but as the interest of this is as paid by the people in South Carolina we look upon this as a guarantee from that state.

Respectfully yours,
Chris Moody
